

Precursor Systems becomes an Apple Value Added Reseller

Contact: Alex Narvey

Precursor Systems is pleased to announce that we are now an Apple Authorized Value Added Reseller.

For many years, Precursor Systems has provided digital publishers with the highest quality technical support for their Macintosh design and production environments. Digital professionals have also looked to Precursor Systems to dispense valued capital purchasing advice. Now we have taken the next step.

As of April 22, Precursor Systems is an Apple Authorized Value Added Reseller capable of vending the entire line of Apple products. This includes Apple hardware such as: Power Macintosh, PowerBook, XServe, iMac, eMac, iBook, iPod and Apple Displays. It also includes Apple Software like: Mac OS X, Mac OS X Server, Final Cut Pro, Final Cut Express, DVD Studio Pro, iLife, Keynote, and AppleWorks.

We are pleased to add the Apple product line to the other fine brands and items we offer including;

- LCD Displays from Samsung and Sony
- Palm OS Computers from Palm and Sony
- Digital cameras and cam-corders from Canon and Sony
- Printers from Canon, Epson, Hewlett Packard, Lexmark, Xante, and Xerox
- Scanners from Canon, Epson, and Hewlett Packard
- Hard Drives from Maxtor, Seagate, Western Digital, and WeibeTech
- Tape Backup units from Exabyte, Imation, and Sony
- Software from Adobe, Dantz, Extensis, Macromedia, Microsoft, Quark, Roxio, Symantec, and others...

Precursor Systems was founded in March 1994 by Alex Narvey to provide support for computer-based professionals in the Publishing, Printing, PrePress, and Digital Imaging and Video industries.
