

## ***Precursor Systems offers 3 new payment options***

Contact: Alex Narvey

Precursor Systems is pleased to announce that we now offer 3 new payment options to provide the maximum flexibility to our customers.

### 1) Credit Card

---

Precursor Systems now accepts both MasterCard and Visa for hardware, software and support plan payments. This option will be welcomed by those whose cards offer rewards and frequent flyer points.

### 2) Lease

---

Precursor Systems can provide leasing (subject to credit approval) through Excel Leasing Ltd. Sample lease rates are now listed on our web site along with the retail price. Leasing provides businesses an affordable monthly fee without the need to prepay taxes. Customers are also welcome to use their own leasing company.

### 3) Apple Instant Loan

---

The Apple Instant Loan program is administered by MBNA (Canada's largest credit card company). The program offers loan approval in only 15 minutes with interest rates starting at 5.99%. The customer can choose from 12, 24, 36, 48, or 60 month terms.
