(and don't forget to mention our Reseller ID # DS16572)

DriveSavers has specialized in recovering lost data for 20 years and has the highest success rate in the industry. The company recovers data in as little as 24 hours from all operating systems and storage media including hard drives, RAID, disk arrays, servers, floppies, CD-ROM/DVD, backup tapes, flash memory, removable and magneto-optical cartridges. DriveSavers is authorized by all hard drive manufacturers to open sealed drive mechanisms without voiding the original warranty. They are known worldwide as the most trusted and respected company in the industry.

Precursor Systems was founded in March 1994 by Alex Narvey to provide support for computer-based professionals in the Publishing, Printing, Prepress, Digital Imaging, Audio and Video industries.
