Precursor incorporates as Precursor.ca, Inc.

Contact: Alex Narvey

Precursor Systems is pleased to announce that after 13 years as a sole proprietorship we are now incorporated under the name Precursor.ca, Inc.

Although you won't find us in the Fortune 500 list anytime soon, Precursor is now an incorporated company. The accountant, the lawyer, and the bank manager all tried to explain it to me why this was such a good idea. The explanation didn't seem to have anything to do with computers so I can't say that I totally understood it. But I did hear the word "taxes" enough times that I suspected that the three of them are all working for Revenue Canada.

In any case, we are now:

Precursor.ca, Inc. doing business as Precursor Systems,
or,
Precursor Systems, a division of Precursor.ca, Inc.

Take your pick.

Precursor Systems was founded in March 1994 by Alex Narvey to provide support for computer-based professionals in the Publishing, Printing, Prepress, Digital Imaging, Audio and Video industries.
