

Precursor's Narvey Attends WWDC 2008!

Contact: Alex Narvey

Precursor Systems is pleased to announce that company founder Alex Narvey will be attending the Apple's 2008 World Wide Developer Conference (WWDC) in San Francisco, June 9-13.

WWDC is Apple's annual programmers conclave where programmers, developers and i.t. professionals can immerse themselves in over 150 information-rich sessions and labs where Apple engineers go in-depth on the innovative technologies that power iPhone OS, Leopard, and Leopard Server.

The 2008 edition of WWDC is the first time the conference has completely sold out and also the first time that Apple is offering an iPhone OS track to join the usual Mac and I.T. tracks.

Precursor Systems was founded in March 1994 by Alex Narvey to provide support for computer-based professionals in the Publishing, Printing, Prepress, Digital Imaging, Audio and Video industries.
