Precursor Receives Apple Canada Milestone Award!

Contact: Alex Narvey

Precursor Systems is pleased to announce that we have received an Apple Canada Milestone Award.

The award, from Apple Canada's General Business Division, commemorates our 5 years as an Authorized Apple Reseller.

Precursor is authorized to sell all Apple computer hardware and software (sorry no iPods or iPhones), and specializes in custom-configured Mac Pros and Xserves.

"I became enamoured of my first Macintosh computer back in 1986," said Precursor founder Alex Narvey. "We continue to be impressed with Apple hardware and software and enjoy being able to extend that great Apple "out-of-box" experience for our customers.

Precursor Systems was founded in March 1994 by Alex Narvey to provide support for computer-based professionals in the Publishing, Printing, Prepress, Digital Imaging, Audio and Video industries.
