

Precursor Now Apple Authorized for iPad 2

Contact: Alex Narvey

Precursor Systems is pleased to announce that we are now Apple Authorized to vend the iPad 2.

As an Apple Authorized Reseller for the last eight years and Apple Authorized Value Added Reseller for the last five, this is the first time that Precursor has been selected to carry merchandise that Apple has traditionally channelled only through "big box" outlets.

"The iPad 2 is one of the most exciting consumer electronics developments in history," said Precursor founder Alex Narvey, "And as an Authorized Apple Value Added Reseller we are very pleased to add it to the line-up of great Apple products that we carry. Customers have been clamoring for iPad 2 and now they can get it from their favourite trusted source!"

Precursor Systems was founded in March 1994 by Alex Narvey to provide support for computer-based professionals in the Publishing, Printing, Prepress, Digital Imaging, Audio and Video industries.
