

Precursor's Narvey Attends U of C Mac Deployment Conference

Contact: Alex Narvey

Precursor Systems is pleased to announce that company founder Alex Narvey will be attending the Mac Deployment: Tools and Strategy Conference, June 18 at the University of Calgary.

"Mac Deployment is a one-day workshop for Mac Admins in Southern Alberta, sharing current best practices in the area of deploying and maintaining Macs..."

The conference will make specific reference to tools like AutoDMG, DeployStudio, Composer, Casper, pkgbuild, Apple Remote Desktop, and/or Munki and provide practical techniques for managing Macs in larger deployments.

"Management and Mobile Management of devices is critical in the technology workplace," said Precursor founder Alex Narvey, "and Precursor is constantly honing our skill and expertise in this rapidly changing field."

Precursor Systems was founded in March 1994 by Alex Narvey to provide support for computer-based professionals in the Publishing, Printing, Prepress, Digital Imaging, Audio and Video industries.
