## Precursor's Narvey presents at MacDevOps YVR

Contact: Alex Narvey

Precursor Systems is pleased to announce that company founder Alex Narvey will present a 5 minute "QuickTalk" at the MacDevOps YVR 2021 conference June 9-11th.

MacDevOps YVR conference, now in its seventh year, will be all online from Vancouver, British Columbia. The online version of the conference utilizes an innovative mix of technologies. Conference organizer Mat Xavier has presentations slated for a Youtube channel, the "hallway" track will be taking place using the app Discord, and the workshops will be facilitated by using Zoom.

Alex has presented QuickTalks at the last three MacDevOps conferences and this year will be presenting on the use of BlueSky for Remote Management.

In addition to presenting at MacDevOps YVR, Alex has made presentations at ACES and MacTech Conference LA.
